

Texas veterans are a unique breed. From those who fought for the freedom of Texas at the Alamo and San Jacinto, to those who fought for the freedom of the world at Iwo Jima and Normandy, they've earned our respect and thanks. They have earned the blessings of peace and comfort in their later years.

As Texas Land Commissioner and Chairman of the Texas Veterans Land Board, I am proud to introduce you to our Texas State Veterans Homes. These high-quality, long-term care facilities serve to fulfill our debt of honor to the Texas men and women who risked their lives for our freedom. Created through a partnership between the State of Texas and the Department of Veterans Affairs, the homes are owned and managed by the Texas Veterans Land Board. With eight homes across the state, Texas veterans can now receive the affordable, dignified professional nursing care they deserve in the company of their fellow veterans.

Please take a moment to look at the quality of service and care we offer at a Texas State Veterans Home. Call for more information, or stop by and take a tour. I think you'll agree with me that we offer the best care anywhere. I look forward to hearing from you.
